Noah Sofa

Exuding stylish form and comfort, Noah is a wide-width and low profile piece inspired by modern and Nordic design. The gorgeous naturally finished hardwood base is a beautiful contrast to the customizable soft fabric upholstery. This base sits fully to the floor and is set back two inches for additional contrast, providing a grander illusion of size and space. The cushions easily seat three people in optimal comfort, with the width of the armrests also offering a functional purpose as a perfect place for resting your favorite drink or a book. Keep it cozy with the Noah Sofa, or go grand with the Noah Sectional.
