

Rove Concepts

Elbow Counter Stool

Originally designed in 1956, this classic piece of Danish furniture entered mass production due to its functional design fit for the modern home. Attractive for its non-ostentatious profile, every feature is made with intent including the perfect angle of the curved back, ergonomically designed for human comfort. The Elbow Counter Stool is an ideal dining stool complete with an upholstered seat for increased comfort.

Also available in a dining chair version here.

Also available in a woven dining chair version here.

Details

This premium Rove Concepts reproduction features:

- Solid ash wood frame
- Premium upholstery
- Available in stained walnut or natural finish
- Please note this design includes a removable metal tag. Exercise caution when removing the tags, as the adhesive may be harder to remove on wood surfaces.

This item is not manufactured by or affiliated with the original designer(s) and associated parties.
