

Rove Concepts

Portier Armless

The Portier is a structured armless seat with boxy flare and a low-set profile. An elevated back rest provides ample lean-back support, while high-density foam cushioning is nicely rounded and perfectly firm. Pair with additional Portier Modular pieces to create your perfect sectional.

Modular pieces also available separately.
See the entire Portier Collection [here](#).

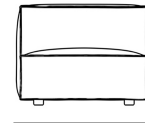

Details

- Kiln-dried hardwood frame with doweled joints and reinforced corner blocks
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- 8 gauge sinuous spring construction
